

Seminar for FIDE International Organizers in Mexico city, Mexico

September 24-26, 2023

Under the auspices of the FIDE EVE Commission and The Mexican Chess Federation, and in conjunction with the 2023 World Junior Chess Championship, a FIDE International Organizers "IO" Seminar took place.

The IO seminar covered the following subjects: Regulations for FIDE Events (General Regulations, Specific Regulations, Bid Procedure, New regulations), Regulations of FIDE Events Commission (Mission, Members, Training, and titles for Organizers), Events Management, and Standards of Chess Material.

The lectures were conducted by FIDE Lecturer IO/FT/WIM Beatriz Marinello from the USA. The participants were enthusiastic and motivated to apply the knowledge acquired during the seminar.

We extend our gratitude to the Mexican Chess Federation and its President, Mario Ramirez Barajas, for the successful organization of the event. We also thank the FIDE Events Commission for their valuable support.

At the conclusion of the seminar, attendees participated in an examination, and those who succeeded will be awarded an IO Norm according to FIDE regulations.

The list of participants who succeeded and will be awarded a FIDE EVE Norm is as follows:
