

## FIDE International Organizers Online Seminar for CCA

The seminar for international organizers from the Americas was held online on the weekend of June 6-9. This time, 17 participants from 11 different countries attended the seminar, which covered topics such as general tournament rules, the FIDE calendar, tournament management, fair play, and the new title regulations for organizers.

The lecturer for the event was IA, IO Stanley Gómez, assisted by IO Cesar Mathews. CCA President José Carrillo Pujol was present as a special guest at the opening of the seminar. The meeting also served to share experiences on tournament organization on the continent.

The exam was held on Monday the 9th, resulting in the passing of 16 of the participants, who confirmed their commitment to improving the quality of the tournaments and passing on what they had learned to their organizations.
